

Here's what our Chamber members are saying:

"Being a member and an Ambassador of the Mount Horeb Area Chamber has been and continues to be a rewarding experience. Since 2003, we have been a Chamber member and we are thrilled to be involved with such a vibrant, connected and quality organization."

- Peter Walton, American Family Insurance

"Having belonged to one other chamber of commerce in a much larger city, I love the Mount Horeb Area Chamber of Commerce for the opportunities it provides to form meaningful connections with people who are invested in their community. In a world where people are increasingly isolated and forming personal connections is increasingly difficult, the chamber-sponsored socials and community events are natural venues to build relationships."

- Pastor Jonathan Bauer, Good News Lutheran Church

"We are a proud member of the Mount Horeb Area Chamber of Commerce. The business we acquire from networking events with the Chamber is immeasurable. The membership directory is an excellent resource of business services that we're able to utilize to work with other members in our community. We look forward to our continued membership with the Chamber and all the benefits it has to offer."

- Patrick Maguire, Edward Jones Investments

"I would highly recommend to any member to take advantage of all the networking opportunities that are provided by the Chamber and its members. These events give you a chance to meet the other members, learn about the wonderful businesses we have in our community, but most importantly develop new relationships and lasting friendships.

The Chamber is all about helping their members make new connections! "

- Sandy Fischer, Esch Insurance

Our favorite way to connect with businesses is belonging to the Mount Horeb Area Chamber of Commerce. We attend every chamber event we can, from the Annual Celebration to the Holiday Craft Bonanza. We ask if we can help at events from sitting on the golf course during the Golf Outing, volunteering to help set up for the Thirsty Troll Brew Fest, to volunteering on a committee. We meet more people from local businesses through actively being involved in the Chamber than in any other way!"

- Andy Baber, Farmers Savings Bank
