15th Annual
Thirsty Troll
Brew Fest

Saturday, September 9
1pm-5pm

Grundahl Park
15 years and
still thirsty!

Parking Notice

The Front Street Parking lot will very soon not be able for public use. Duluth Trading Company has purchased the lot for staging of the corporate headquarters building project. Signs will be posted anticipated as early as this week in the lot. The Mount Horeb Area Chamber of Commerce has been working to find solutions for stores and restaurants for ongoing parking issues in our downtown. New Public Parking signs have been posted along Main Street to direct our patrons to public parking. In addition to street parking, public parking is available in the north parking lot by the Community Center, and along the Military Bike Trail. This issue is not going to be solved overnight MHACC is currently working with MHTC on utilizing a portion of their parking lot for weekend parking and a MHACC business owner/employee permitted parking program.

Volunteers needed for Thirsty Troll Brew Fest, sign-up [here](#)

Have an upcoming event? Let us know and we'll blast it out to the membership.
